Hello Parents and Students,

I hope you are all well and staying safe, practicing safe social distancing, washing your hands, enjoying family time and keeping your minds and bodies active.

I have put together a google classroom for all band and string students. I will use this classroom to share recommended practice assignments and information.

You will need to use the following codes to join my classroom. Please join the group based on your level and instrument. My website is also still available and has many quick links for instrumental videos.

At this point, I am focusing on review and helping you set up a routine for home learning. Please feel free to contact me through the google classroom stream if you have questions. You are also welcome to send me a video or audio link of your child playing - especially if they want to earn a star on the star chart.

**Join my Google Classroom with this class code**

LO & HH Beginning Band :
